

# Jesus Magnified

## Luke 24

Lesson 21

### FIRST DAY: Read Luke 24

The fact that Jesus rose from the dead should give you perpetual joy! As a believer, Jesus' resurrection is the ultimate validation that:

- Your sins are forgiven
- You have been reconciled to God
- You have become a child of God
- God's Word is infallible
- God's promises are verifiable
- Your prayers are heard
- God's presence is with you
- You have assurance of victory in every trial
- Death has become only a transport to glory
- You will live and reign forever with Christ

Because Jesus rose from the dead, the past has purpose, the present has productivity, and the future has promise. This is a cause for perpetual joy!

Luke 24 begins with great sorrow. In our study this week, we will accompany sorrowing women who went to the tomb of Jesus. We will walk with two sorrowful men on their way to Emmaus. We will enter a sorrow-filled room of disciples gathered together. All of them expressed perplexity, fear, and sorrow – until they encountered the risen Jesus. Perplexity gave way to understanding. Fear turned to faith and boldness. Sorrow yielded to joy.

No matter how perplexing, fearful, or sorrowful life can be, through the resurrection of Jesus we have cause for perpetual joy!

*Ask the Lord to fill you with all joy in believing His truth!*
