

# Joshua 8

## FIRST DAY: Introduction

Did you ever realize that God has specific ways in which He wants to direct you? Proverbs 3:6 states, *In all your ways acknowledge Him, and He shall direct your paths.* Too often we get ahead of God because we think we know what to do and how to do it. In times like this, instead of asking for God's plans, we are only seeking God's approval and blessing on **our** plans. Throughout the Bible, the necessity of seeking and obeying God's directives is clearly seen. God alone knows the best way to victory! He not only wants to direct us into victory, but teach us valuable lessons in the process.

Israel lost their first battle against the city of Ai because they didn't seek the Lord. Before victory could be achieved, Israel needed to deal with the sin in their ranks and seek God's specific battle plans.

Is there an area in your life where you have suffered defeat? Seek God for His specific directives for victory.

*Ask the Lord to reveal His victorious plan to you.*
